For President Obama, al-Qaeda is our problem now

The US no longer sees itself as the world's bodyguard.

by *Janet Daley*, 20 Jan 2013

... Forget the post-Cold War "peace dividend" that we have all been spending like lunatics for a decade. Defence budgets in Europe — whether for internal national security or the sort of air and ground forces which are needed to act in countries such as Algeria and Mali — will have to be reassessed urgently...

Chicago murder rate proves that liberals do not care about gun deaths

PJTV, 4 Jan 2013

Chicago kids and young adults are being murdered at alarming rates. So why the silence from the White House and the left? President Obama is from Chicago and his former Chief-of-Staff Rahm Emanuel is now mayor. President Obama and Mayor Emanuel are eerily silent on the gun deaths in their hometown. The question is why? Find out as John Phillips, Tammy Bruce and Stephen Kruiser discuss one of the most missed stories of 2012.
