The dull bland leftist media

http://www.americanthinker.com/2013/06/the_dull_bland_leftist_media.html

Fortunately for America, Teddy Kennedy is no longer alive to spew more lies like these.

"I want to comment on what this bill will not do. First, our cities will not be flooded with a million immigrants annually. Under the proposed bill, the present level of immigration remains substantially the same.... Secondly, the ethnic mix of this country will not be upset.... Contrary to the charges in some quarters, [the bill] will not inundate America with immigrants from any one country or area, or the most populated and deprived nations of Africa and Asia.... In the final analysis, the ethnic pattern of immigration under the proposed measure is not expected to change as sharply as the critics seem to think.... The bill will not flood our cities with immigrants. It will not upset the ethnic mix of our society. It will not relax the standards of admission. It will not cause American workers to lose their jobs."—Teddy Kennedy on 10 Feb 1965, during Senate debate of the Immigration and Nationality Act of 1965 (the Hart-Celler Act)

"This amnesty will give citizenship to only 1.3 million illegal aliens. We will secure the borders. We will never again bring forth an amnesty bill like this."—Teddy Kennedy, on the 1986 Immigration Act.

Unfortunately for America, RINOs like John McCain, Lindsey Graham, Marco Rubio, and Bob Corker are here to carry on Teddy's lying tradition.

by *Mike Johnson*, 2 June 2012

Perhaps the very best account of the battle is in this wonderful book. Most of our aircraft were inferior to those flown by the Japs. All the U.S. pilots knew the odds were badly against them. Owing to the exigencies of battle, many of those in the worst planes knew that death was certain. They did their duty nonetheless.
