...Illegal immigrant convictions in FY13 represented:

- * 18 percent of drug trafficking convictions
- * 25 percent of kidnapping/hostage-taking convictions
- * 56 percent of drug possession convictions
- * 15 percent of money laundering convictions
- * 20 percent of national security convictions
- * 7 percent of murder convictions

So illegals are overrepresented with regard to these crimes by anywhere from two to 17 times...
