## **The happiest 9/11 since 2000**

*Don John, 12 Sept 2015*

Although America and Israel may be allied with Saudi Arabia from time to time, the Saudis are still serious Muslims. And like all serious Muslims (e.g. Iran's leaders, Al Qaeda, ISIS, the Muslim Brotherhood), they hate our culture, they hate our country, they hate our religions, they hate our families, and they want every one of us to end up "**a slave, a Muslim, or dead.**" So what **happened** in Mecca made **yesterday** the happiest September 11 in fifteen years.

And when a grieving Muslim doctor Tweeted his dismay and his prayers for the victims, some proud and patriotic Westerners **sent him** their sincerest condolences:

Volciates: **Well, Allah failed.** Carl Wesley Clark: **That's gonna put a damper on the annual 9/11 party for sure!** Ticked off Nana: **Karma.** Ed Crowe: **So who gives a shit,, I dang sure don't!!!** Ed Crowe: **FU\*\* Allah and that false prophet, Muhamed** T.E. Carsley: **I think God was letting you Death Cult Saudis know He still remembers 9/11 too. May ISIS overrun you all.** The Rogue: **I feel sorry for the destroyed crane.**
