*by Neil Munro, 18 Sept 2016*

...Overall, the federal government invites roughly 800,000 guest-workers — plus 1 million legal immigrants and few hundred thousand illegal immigrants — into the country each year, where they compete for jobs sought by the 4 million young Americans who annually enter the workforce. That roughly **two new foreign workers for every four Americans** who enter the workforce...

This is delicious! Europeans who call themselves "Antifa" (anti-fascist) are actually fascists themselves, because they condemn the free speech of citizens who tell the truth about Islam and Islamists. These Antifa creeps routinely form street gangs and physically attack the truth-telling citizens. The fool Ghislain Gilberti got what he richly deserves for coddling Muslim thugs. — *Don John*
