**Don John sez:** When police use CS simulators to thwart criminals, they are defending the rights of innocent citizens. And "criminals" include protesters who shut down streets or buildings. Freedom of **speech** does not mean the freedom to obstruct other people's lives. Race-hustlers have all kinds of fancy counter-arguments about how "The Man" obstructs po' people's lives — but every such argument is nothing but smoke, mirrors, and faulty assumptions. How can our august lawmakers make faulty assumptions? Just one example: Rep. Hank Johnson is such a moron that **he's afraid Guam will capsize**.
