## **We Will Remember**

Many places with unpronounceable names.

One constant: American soldiers give what it takes.

by Roger Kaplan, 24 May 2013

"People sleep peaceably in their beds at night only because rough men stand ready to do violence on their behalf."  
—George Orwell (*Winston Churchill and Rudyard Kipling expressed similar thoughts, too*)

## **On Memorial Day, remember:**

It is the veteran, not the preacher,  
    who has given us freedom of religion.

It is the veteran, not the reporter,  
    who has given us freedom of the press.

It is the veteran, not the poet,  
    who has given us freedom of speech.

It is the veteran, not the campus organizer,  
    who has given us freedom to assemble.

It is the veteran, not the lawyer,  
    who has given us the right to a fair trial.

It is the veteran, not the politician,  
    who has given us the right to vote.

It is the veteran who salutes the Flag,

It is the veteran who serves under the Flag.

AND LET PERPETUAL LIGHT SHINE UPON THEM.**

### ***These Men I Knew***

Who were these men I knew.

That I met as strangers and taught what is true.

Laying weeks in a Ranger Grave.

Muddy.

Scared.  
Wet.  
Lonely.  
Huddling for warmth.  
Survival doesn't heed the machismo in us.

You could hear the quiet chattering of each other's teeth over the squawk of the field radio. Paralyzed with cramps so painful in the ribs from shaking with chills. I have to sleep and you stay watch. I will tell you when time is up.

Tomorrow we pull out and hump fifty clicks to an attack, Our feet will bleed and our skin will chafe from the dirt on our bodies. The bugs have taken residence in our skin and it burns and itches. Some of us have dysentery and cut holes in our pants so we can relieve ourselves without missing a beat. Haven't had a warm meal in weeks. We look into each other's gaunt faces and sunken eyes and drive on. Keep that rifle clean because that will save your life.

Where else in my life did I see the best and worst of humanity in the same place? Where else in my life did I have to push the envelope on my body and mind so hard for so many months?

It was when I was a Soldier. And I don't need to look for heroes anymore. I have already met them.

*The lines above were written by a soldier who served in the Rapid Deployment 7th Infantry Division (LIGHT) in Central and South America, 1987-1990.*
