Gov't 'Fusion Centers' spying on patriots in all 50 states

The Rutherford Institute has some good advice.

Leo Hohmann, 20 March 2018

....some strict advice for any law-abiding citizen who is approached by law enforcement asking questions about their personal, legal activity. "If they come to your door, do not talk to them. If they call you on the phone, do not talk to them. We write a letter to DHS or the FBI. We say we represent the person targeted, but we typically never hear back."

"Once you're in their system," Whitehead added, "you cannot get out."
