

"Government is the great fiction through which everybody endeavors to live at the expense of everybody else." —  
Frédéric Bastiat (1801 - 1850)

"In the end the only thing socialism has left behind it are countries looking like trailer camps hit by a hurricane." —Ion  
Mihai Pacepa, the highest-ranking Soviet bloc official ever to defect to the U.S.

"If someone is coming to kill you, rise up and kill him first." —The Talmud

Perhaps the very best account of the battle is in this wonderful book. Most of our aircraft were inferior to those flown by the Japs. All the U.S. pilots knew the odds were badly against them. Owing to the exigencies of battle, many of those in the worst planes knew that death was certain. They did their duty nonetheless.
