Marine aviators at the Battle of Midway

Mike Johnson, 2 June 2012

http://www.americanthinker.com/2012/06/marine_aviators_at_the_battle_of_midway.html

Perhaps the very best account of the battle is in this wonderful book. Most of our aircraft were inferior to those flown by the Japs. All the U.S. pilots knew the odds were badly against them. Owing to the exigencies of battle, many of those in the worst planes knew that death was certain. They did their duty nonetheless.
