Speech on the Occasion of the One Hundred and Fiftieth Anniversary of the Declaration of Independence

by Calvin Coolidge, 5 July 1926

...No other theory is adequate to explain or comprehend the Declaration of Independence. It is the product of the spiritual insight of the people. We live in an age of science and of abounding accumulation of material things. These did not create our Declaration. Our Declaration created them... <http://www.presidency.ucsb.edu/ws/index.php?pid=408#axzz1R5Xi83U6>
